About Us

S R K Industries is a reliable name in the Indian market, which has gained popularity in a short time frame by exceeding the expectations of its buyers. Only after understanding the requirements of buyers, we deliver them the suitable equipment. Further, we treat customers in a friendly manner and with respect because for us they are the king of the commercial world and without making them happy, we will not able to survive in the market. We proudly say that our manufacturer and supplier enterprise, is delivering a flawless range of Outdoor Triple Twister, Outdoor Air Walker, Free Weight Rowing Machine, Playground Equipment and a lot more products at genuine rates

We are not just customer-driven but an employee-centric entity also. Further, we give our best to be a valued partner for our associates and investors. Ours is a worthy company on all grounds and this has been possible because of strong leadership and a focused working approach.
